AGENDA REPORT

City of Santa Clara, California

Agenda Item #

7C-1

DATE: November 24, 2008

TO: City Manager for Council Information

FROM: Public Communications Manager

SUBJECT: 2008 Annual Report/2009 City Calendar

It was with pleasure that we forwarded copies of the City of Santa Clara's 2008 Annual Report/2009 Calendar to the City Council on December 3, 2008

The photos and text of the publication support this year's theme of "Going the Extra Mile."

Since 1970, the City's Annual Report/City Calendar has provided valuable information to residents about programs, events, and other helpful City data. Its yearly distribution to each residential address in the City has made it a highly effective public information tool. Residents throughout the year request extra copies.

It is a very popular City publication and we hope the Council has found it useful.
